UNIT 2 – TEEN LIFE

**RISK TAKERS**

My name is Tom. We are a group of friends and we are all crazy about outdoor activities and extreme sports. I like taking risks and adrenaline just like my friends. When I go on holiday, I'd rather live in nature than spend time on the beach, stay at hotels or go to noisy night clubs. I think they're boring. I prefer trying a new kind of extreme sport at the weekends or on holiday.

I like outdoor activities so whenever I have time, I go to the mountains and ride my bike. I think it's very enjoyable. My bicycle is very special for me because it's a present from my grandparents for my 18<sup>th</sup> birthday. It has eighteen gears and a comfortable, brown, leather seat. I paint the mudguards and the frame very often so they always shine. Safety is very important for me so I always check the brakes.

My best friend is Jennifer. She likes outdoors too. However, she doesn't like mountain biking. She says it's ridiculous to ride a bike on hills and rough ground so we go for long walks in the countryside together. She thinks it's interesting.

Some of my friends and I have regular extreme sports trips. I mean every month we go snow tubing, bossaball, snowshoeing or zorbing. Kate likes sliding down a snow-covered hill in an air-filled circular inner tube very fast. She thinks it's exciting, but she doesn't like snowshoeing so much. She thinks it's unusual to walk on snow with a proper pair of snowshoes. Dave thinks zorbing is great fun. He is fond of rolling downhill inside a big transparent plastic ball. Bossaball is Bill's favourite outdoor activity. It's a team sport. It is a combination of volleyball, soccer, gymnastics and acrobatics. There are trampolines on each side of the net and players bounce high enough to spike the ball. It's trendy nowadays and that's why he prefers it.

I like all these activities, but as I said before; mountain biking is my favourite!
